3M™ Cubitron™ 3 Cut and Grind Wheel

The 3M™ Cubitron™ 3 Cut and Grind Wheel is a versatile solution designed to be used both as a grinding wheel and cut-off wheel — making it ideal for cutting, grinding, gouging, and more. Unlike other abrasive products, which are designed for just one job, this wheel can meet multiple challenges thanks, in part, to a flat, reinforced inner surface that can shape or grind objects and a thin outer edge that can be used to make perpendicular cuts and gouges. This inclusive design removes the need for multiple abrasive tools and can help to maximise production.

Additionally, the 3M™ Cubitron™ 3 Cut and Grind Wheel is powered by 3M Re-Engineered Precision Shaped Grain using proprietary breakthroughs in molecular bonding technology designed with sharp, angular structures that continuously fracture to form sharp points. These clean, sharp points help create an abrasive that slices faster, runs cooler, and lasts much longer than conventional abrasives. 3M™ Cubitron™ Performance Abrasives are made for professionals who need more from their equipment — so experience the next generation in abrasive performance by choosing the 3M™ Cubitron™ 3 Cut and Grind Wheel.

- **MULTIPLE FUNCTIONS:** Used both as a grinding wheel and cut-off wheel, making it ideal for cutting, grinding, gouging, and more
- **ENHANCED SPEED:** Delivers up to 5% increased cut rate compared to 3M™ Cubitron™ II Performance Abrasives to help reduce the amount of time and pressure required to get the job done.
- **RIGID, REINFORCED, RESIN-BONDED WHEEL:** Designed to be used both as a grinding wheel and as a cut-off wheel on both stainless and mild steel substrates.

Product ID	Product	MOQ	Order Unit
7100305449	3M™ Cubitron™ 3 Cut and Grind Wheel, 94159, 36+, T27, 115 mm x 3.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100303971	3M™ Cubitron™ 3 Cut and Grind Wheel, 94343, 36+, T27, 230 mm x 4.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100303972	3M™ Cubitron™ 3 Cut and Grind Wheel, 94542, 36+, T27, 180 mm x 4.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100303973	3M™ Cubitron™ 3 Cut and Grind Wheel, 94888, 36+, T27, 150 mm x 4.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100303974	3M™ Cubitron™ 3 Cut and Grind Wheel, 94946, 36+, T27, 125 mm x 4.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100303975	3M™ Cubitron™ 3 Cut and Grind Wheel, 95344, 36+, T27, 115 mm x 4.2 mm x 22.23 mm, EN, 10/Pack, 20 ea/Case	20	Each
7100305450	3M™ Cubitron™ 3 Cut and Grind Wheel, 95508, 36+, T27, 100 mm x 4.2 mm x 15.88 mm, EN, 10/Pack, 20 ea/Case	20	Each
